Roger R. Rogalin, Principal

Dr. Mark Toback, Superintendent

Dear 4th Parents & Guardians,

A major focus of the 4th grade science curriculum is "the environment" and recognizing the Earth's immense wealth of natural resources and beauty. It is our goal for students to make a personal connection to the environment in which they live and ultimately influence.

On Friday, October 6th, the 4th grade classes are scheduled to participate in an educational field trip to the Meadowlands Environmental Center in Lyndhurst, NJ. The classes will be leaving the school at about 9:00 AM and will return at approximately 2:30 PM. ***Please be sure your child arrives to school on time.*** Since there will be NO facilities to purchase food or drinks - **students must bring a bag lunch with them. No glass bottles will be allowed for safety purposes.** The cost per student is **\$12.00**. Kindly complete this permission slip by indicating that your payment was completed via Community Pass & return it to your child's teacher **by Monday, October 2, 2017.** Community Pass directions can be found on the reverse side of this flyer.

The day at the Meadowlands Environmental Center will take place outdoors. Please take this into careful consideration when planning your child's attire. Students should wear long pants as well as old sneakers or boots. It is important to have a jacket and/or sweatshirt to stay warm. Sunscreen and insect repellent should be applied at home. If rain is in the forecast, please send your child to school with a raincoat or poncho.

Thank you for your continued cooperation and support.

**BAG LUNCH
NO GLASS**

Sincerely,

Roger R. Rogalin

Principal
